BEVERAGE TRANSPORTATION

BEVERAGE CURTAIN SIDER

RANDON: OUT ON THE ROAD OR IN THE CITY, PROVIDING THE MOST RELIABLE PRODUCTS.

NEW BEVERAGE BODY

1

LOW MAINTENANCE

Modular cargo box with easily repairable bolted and riveted components. Central spine without sharp corners, **which makes carpet installation optional.**

2

IMPROVED SECURITY

Load locking, with **individual pneumatic wings lifting system.**

3

EASY TO USE

Easier and more efficient: Randon's ratchet system allows **opening the curtains in record time.**

4

REDUCED TARE

Thanks to the large track, **it is longer lasting and more stable.** The **lighter** Outboard Radial axle hub **provides a better seal and brake ventilation.**

5

EFFICIENT DOCKING

The Auto Service model comes with **rear door and reinforced rear frame.** **Recessed lights and protected by a double layer of structure pads.**

1

ERGONOMICS AND SAFETY FEATURES

Aluminum doors with anti-tamper sensors to detect open bays. Easy access to the Load Box with **lighter platforms, ramps and ladders.**

2

SECURED LOAD

Less chance of damage **due to the reinforced bays and absence of sharp corners.** **One-piece roof and doors with a reliable locking system. Completely sealed:** water and dust will not get in.

3

VERSATILITY

The most suitable model for distribution, with a **modern modular structure, which allows a quick and easy maintenance.**

4

IMPROVED LOAD

Improved load trailers, which carry the whole range of beverages with a higher net load. They can carry the whole range of beverage, as a VUC (Urban Haulage Vehicle) or other definition, without exceeding the legal dimensions.

5

WHOLE PORTFOLIO

Box trailers with a **range of capacities,** for the main trucks of the market, **100% Aluminium or hybrid models,** lighter and more durable.

- 87 hectares;
- 15 km of track;
- **Greatest** proving ground in Latin America;
- One of the fewest **world-wide companies** of road implements that owns a Technological Center, which allows **great developments and technological innovations**.

RANDON IMPLEMENTS, GREATER RESALE VALUE.

In exchange or renewal of the fleet, your used Randon Implement has a **greater acceptance in the market** and also a **greater value and speed of resale**.
